

TIBBERTON NETBALL CLUB AGM

15th JULY 2010.

7.00-9.00pm

Burton Borough School

Classroom by the sports hall.

At the AGM this year I propose to make considerable changes to the club constitution and the way in which the club is managed. The club is now boasting 250+ members and this requires a large number of dedicated volunteers to administer the day to day running of our organisation.

I will be posting on our website in the next few weeks my thoughts regarding the things that I feel need to be addressed.

Your comments as club members will be gratefully received. Please email me with any ideas that you have to make our club the best in the County.

June

June Byrne
